PAPERS FROM UNIVERSITIES/INSTITUTIONS
NEW TITLES LIST
May 2004

The following titles are recent additions to the Reading Room's Working Paper Collection. They are located on the shelving directly behind the reference area, and may be checked out for two weeks. The collection is arranged alphabetically by organization or institution. (Federal Reserve Bank publications are shelved as "F's", publications from "University of..." would be shelved as "U's") *Please be aware, that "working papers" is used generically here - - the collection includes numerous series: working papers, discussion papers, staff reports, etc.*

A limited number of paper copies of this list are available on the shelf above the "free table" in the Reading Room.
