

The Department of Economics at Universidad San Francisco de Quito (USFQ) in Quito (Ecuador) invites applications for three full-time positions as assistant professor in **all fields**. Special consideration will be given to the following areas:

- Econometrics
- Applied economics: Microeconomics or macroeconomics
- Experimental economics
- Development economics
- Open macroeconomics
- Environmental/natural resources
- Political economy

The successful candidate will teach undergraduate and graduate courses and publish in leading academic journals. The position requires a Ph.D. in Economics (or completion of Ph.D. by August 2017 preferred, but required by January 2018). Fluency in Spanish is not required.

USFQ is the number one university in Ecuador and a leading university in Latin America offering a competitive salary (paid in US\$) in the region. For further information visit <http://www.usfq.edu.ec>

Applicants must submit (1) a cover letter, (2) a current curriculum vitae, (3) recent research paper(s), (4) evidence of teaching effectiveness including teaching evaluations (if available), and (5) three letters of recommendation. All documents must be emailed directly to Monica Rojas: mrojas@usfq.edu.ec - Subject Line: Job application.

Position open until filled.
