Technical Communication - ENGL 314	3	Economics Choice – 300/400 Level	3		
Arts/Humanities Choice	3	Electives	10		
Electives	4				
	<u>13</u>				<u>13</u>

Students in all ISU majors must complete a three-credit course in U.S. diversity and a three-credit course in international perspectives. Check (<http://www.iastate.edu/~registrar/courses/div-list.html>) for a list of approved courses. Discuss with your adviser how the two courses that you select can be applied to your graduation plan. LAS majors require a minimum of 124.5 credits, **including a minimum of 45 credits at the 300/400 level**. Three of the required 45 300+ level credits must be earned in a general education group outside the group of the major. You must also complete the LAS foreign language requirement and any high school unmet admission requirements.

¹ Calculus I (MATH 165) and Calculus II (MATH 166) may be substituted for MATH 160 and Econ 207.
