Technical Communication - ENGL 314	3	Econ from Approvd. list – 400 Level	3
Arts/Humanities Choice	3	Electives	11
Electives	6		
	<u>15</u>		<u>14</u>

Students in all ISU majors must complete a three-credit course in both U.S. Diversity and in International Perspectives. **Check (<http://www.iastate.edu/~registrar/courses/div-list.html>)** for a list of approved courses. The two courses that you select could be applied to your graduation plan. Please discuss with your advisor.

LAS majors require a minimum of 120 credits, **including a minimum of 45 credits at the 300/400 level**. Three of the required 45 300+ level credits must be earned in a general education group outside the group of your major. You must also complete the LAS foreign language requirement and any high school unmet admission requirements.

¹ Calculus I (MATH 165) and Calculus II (MATH 166) may be substituted for MATH 160 and Econ 207.
