Senior	<ul style="list-style-type: none"> 3 Econ 400-489 3 Engl 302 or 314 3 Arts & Humanities 6 Electives <hr/> 15 credits	<ul style="list-style-type: none"> 3 Econ 400-489 R Econ 492 10 Electives 2 Natural Science <hr/> 15 credits

Students in all ISU majors must complete a three-credit course in both U.S. Diversity and in International Perspectives. Those two courses may simultaneously meet the following graduation requirements: Social Science, Arts & Humanities, Econ 400-489 courses, or Econ courses from approved list. Please discuss with your adviser.

LAS majors require a minimum of 120 credits, including a minimum of 45 credits at the 300/400 level. Three of the required 45 credits at the 300+ level must be earned in a general education group outside the group of your major. Econ Majors must also meet or complete the LAS foreign language requirement. In addition, Econ Majors must earn a minimum of 15 credits from courses taught by the Department of Economics at ISU.

^a Calculus I (MATH 165) and Calculus II (MATH 166) may be substituted for MATH 160 and Econ 207.

^b Introduction to Theory of Probability & Stats I (Stat 341) and Introduction to Theory of Probability & Stats II (Stat 342) may be substituted for Stat 226 and 326.
