Announcements

Returning to campus news

Summer's gradual ramp-up is about to give way to fall's fuller return. Most employees who need to work on campus to support a successful resumption of in-person instruction and residential student life will be back in their usual workspaces by Aug. 3.

ISU Travel policy updates

There will be updates to the university travel policy, effective Aug. 1.

Department Highlights

March's ethanol shutdown better than in fall: Hart

Chad Hart, associate professor, was interviewed for a July 25 *Lincoln Journal Star* story, "Ethanol plants increase production as harvest nears."
