Announcements

Complete Workday items by June 25

The end of the fiscal year is once again quickly approaching, and with it our first year-end close in Workday. To ensure compliance with state and federal reporting requirements and timely preparation of financial statements, please complete any outstanding actions remaining in your Workday inbox prior to noon on Thursday, June 25.

COVID-19 alternative work arrangements for high-risk employees

From Kristi Darr, University Human Resources:

Department Highlights

Farmers suffer as plants shuttered: Hayes

Dermot Hayes, professor, was quoted in a May 30 *Bloomberg* story, “Opaque World of American Meat Trading Leaves Farmers Squeezed.”

Hart: Federal program to help offset COVID impact

Chad Hart, associate professor, was interviewed in a May 29 Iowa Agribusiness Radio Network story, “Agricultural producers may now apply for coronavirus-related funding.”
