The Division of Science and Math at Mayville State University is seeking applicants for a full-time special appointment, non-tenure track position as Instructor/Assistant Professor of Agribusiness beginning August 18, 2021. Consideration may be given to move to a tenure-track position including potential tenure credit for prior years of service depending upon credentials and experience. The teaching duties would include general agribusiness coursework including and not limited to Animal Science/Production, Farm & Ranch Management, Sustainable Food Production Systems, Ag Commodities & Price Analysis, Ag Technology, Trends & Issues in Agriculture, or other courses within the department depending on candidate qualifications and interests as well as departmental needs. Courses are delivered via multiple modalities (IVN, online, hybrid, face-to-face). Other duties include academic advising, committee work, monitoring agribusiness internships, advising student agribusiness organization (FFA, Agribusiness Club, Collegiate Farm Bureau, etc.), and other division responsibilities as assigned.

**Required Competencies:**

- Ability to effectively, professionally and tactfully interact and communicate with students, faculty, staff, and community members
- Significant attention to detail
- Demonstrated high level of teamwork/cooperation/collaboration, initiative, customer service and organizational skills
- Ability to work flexible hours, some early morning, evenings and weekend hours are required

**Minimum Requirements:**

- Master's degree in Agribusiness or closely related field (Agriculture Economics, Animal Science, Precision Agriculture, etc.)
- Relevant agribusiness or industry experience
- Experience with a variety of industry technologies

## Preferred Qualifications:

- Ph.D. in Agribusiness or related field, or industry certification
- 3 years full-time teaching experience at postsecondary institution
- Experience with a variety of course delivery methods to include online instruction/development
- Demonstrated leadership and community service
- 5 years experience in a peripheral Ag Business setting (seed, implement, fertilization, elevator, Ag lending, etc.), farming, or ranching

## Applicant Materials Required:

1. A letter of application
2. A current resume
3. Copies of unofficial transcripts
4. Three current professional letters of references specific to the position

## How To Apply:

Review of applications will begin May 1, 2021 . For specific questions regarding this position contact Mr. Ted Stoa (primary) [theodore.stoa@mayvillestate.edu](mailto:theodore.stoa@mayvillestate.edu) or Dr. Joseph Mehus (secondary), Division Chair of Science and Math & Associate Professor of Biology, [joseph.mehus@mayvillestate.edu](mailto:joseph.mehus@mayvillestate.edu).

## Benefits:

Includes single or family health care coverage (premiums paid for by the university), basic life insurance, EAP, retirement plan, tuition waiver, annual and sick leave. Optional benefits available: supplemental life, dental, vision, long-term care insurance, flexible spending account, supplemental retirement plans

## Additional Information:

MaSU is an Equal Opportunity Employer and encourages applications from diverse candidates and candidates who support diversity. ND veteran's preference laws apply to this position. Veterans claiming preference must submit all proof of eligibility by the closing date. Proof of eligibility includes a DD-214 and if claiming disabled status, a current letter of disability. The state of North Dakota has an open records law; therefore, your application could be subject to review upon request. A criminal history background check must be satisfied prior to employment.
