

**Business Options for Agricultural Business Majors**  
2020 Catalog

Agricultural Business majors can pursue **one** of three Business Options: Marketing, Finance, or Supply Chain Management. Completion of a Business Option will be noted on a student's degree audit, but not their transcript. A student must request permission to complete a Business Option by completing a **Business Option Request Form** available from the Department of Economics, 174 Heady Hall. To be eligible for a Business Option, a student must have completed the **Foundation and Supporting courses AND have a 2.5 minimum cumulative GPA**. Prerequisites for all courses taught by the College of Business are enforced.
