Announcements

Society for the Advancement of Socio-Economics - Call for Themes

The Society for the Advancement of Socio-Economics (SASE) is pleased to announce the call for mini-conference themes for its 34th annual conference, “Fractious Connections: Anarchy, Activism, Coordination, and Control”, taking place from July 9-11, 2022 in Amsterdam.

Cambridge Scholars Publishing - Call for Proposals

Cambridge Scholars Publishing are inviting proposals for academic books and edited collections in Social Sciences. You can find full information about Cambridge Scholars Publishing, including a Book Proposal Form, on our website.

Department Highlights

Pudenz, Schulz publish article

Christopher Pudenz, PhD student, and Lee Schulz, associate professor, had an article, “Packer Procurement, Structural Change, and Moving Average Basis Forecasts: Lessons from the Fed Dairy Cattle Industry,” published in the *Journal of Agricultural and Resource Economics*.

Kedagni paper published

A paper by Desire Kedagni, assistant professor, “Nonparametric Bounds on Treatment Effects with Imperfect Instruments” (joint with Kyunghoon Ban), has been accepted for publication in *The Econometrics Journal*. Kyunghoon Ban is a 4th year Ph.D. student in the department.

Lyn gives presentation at workshop

Gary Lyn, assistant professor, presented his paper, “Market Adaptation to Climate Change in Dynamic Spatial General Equilibrium,” at the prestigious 2021 Ron Jones International Trade and Macroeconomics Workshop Sept. 23-24 at the University of Rochester.

Deiter gives invited presentation

Ron Deiter, emeritus professor, gave an invited presentation Sept 28 to the Department of Animal Science graduating senior class on “Selling Principles from Econ 236 Everyone Can Use.”

Research on economics of water quality: Zhang

Wendong Zhang, associate professor, is leading a project that aims to understand nutrient impacts on rural and lower-income communities.

Recent Swenson media interviews

David Swenson, research scientist, was interviewed for a Sept. 28 *Gazette* story, “Can Iowa businesses use 401(k)s, other benefits as a recruitment lure?” about businesses using 401Ks and other benefits to recruit new employees.
