OneApp: https://www.financialaid.iastate.edu/scholarships/

Incoming Freshmen and Transfer Applicants: You must set up your ISU Net-ID prior to completing OneApp. In order for an individual to obtain a Net-ID, you must have your University ID number. This number is sent to students who have been offered admission to ISU as part of the admission packet. To start this process go to: <u>https://asw.iastate.edu</u>

After logging into OneApp complete the general application.

After the general application is complete, you will need to complete the **College of Ag and Life Sciences Application** (Ag Business majors) OR the **College of Liberal Arts and Sciences Application** (Econ majors).

If you qualify, an Office of Student Financial Aid application will then appear that needs to be completed.

If you are an Ag Business major, after completing the College of Ag and Life Science application, you will need to complete the **Ag Business Scholarship Application** – it won't appear until you finish the College application first. It is under Other Recommended Opportunities and titled Ag Business Scholarships – General. Click on the yellow Apply button to complete the application.
